

a ministry of YWAM Campaigns....

the gospel for
every person....
every nation....
every generation....

Hi !fname:

Greetings for the New Year!

JESUS' CALL TO 'GO & MAKE DISCIPLES' NOT SUBJECT TO RECESSION

Our desire is to see many come 'to know God' and to then 'make Him known' in 2009. Looking ahead this year there are some exciting new initiatives on the horizon. We'd love to share these with you & invite your participation with us.

DTS UPDATE

The inaugural Discipleship Training School (DTS) we have held here in Tauranga under the banner of YWAM Campaigns finishes January 31st. Outreach teams have had a powerful time ministering in the urban slums of the Philippines as well as isolated communities in the Southern Philippines. The final week of report back & de-brief is being held at Orama on Gt. Barrier Island. We are excited at what God has accomplished in the lives of each of the students & look forward to the **next DTS beginning Sept 1st, 2009.**

CALL2HARVEST LEADERSHIP INTERNSHIP - Launching March 16!

This is a hands-on internship for people who desire to be involved and who may or may not necessarily be evangelists, but who desire to be involved in helping facilitate the whole process of seeing a great harvest in the days ahead. It will have different tracks for people with different gifts & callings. The course is ideally suited to those who want to go to a new level in their leadership both inwardly in their relationship with the Lord & through hands on experience in large scale city & national initiatives.

Curt Johnson who superbly lead the IWT Campaigns in Suva, Fiji & is now based with us in Tauranga with his family will be coordinating & leading this training. He was a local church pastor for many years in the USA prior to his involvement in YWAM Campaigns & is a leader who can lead in tough situations. For more info [click here](#).

'UNRELENTING' - Tauranga House of Prayer Conference - 26-28 March

Tauranga House of Prayer (THOP) community have been laboring on a daily basis for the last three years in the place of prayer for a move of God to grip our nation.

They have invited Bob Sorge (www.oasishouse.net) who Aaron Walsh the THOP leader believes will bring to our nation at this time something that will carry tremendous weight and prophetic relevance. Bob had his vocal chords severely damaged in a medical procedure 15 years ago that left him only to be able to speak for a hour or so a day in a faint whisper. During these last 15 years, a clear message has emerged from the crucible of wrestling. He has authored 13 books and is sought after internationally. Registration details can be found here in the upcoming weeks. Don't miss this!

IWT ASIA CAMPAIGNS in 2009

Asian IWT interns/staff are back in their nations from gaining experience in the Ohio Campaigns.

Philippines - our team is currently preparing promotional IWT materials to share the vision at a National launch in Manila April 27-30. Training more Filipino staff on the ground will take place throughout the year. Curt Johnson from our team here in Tauranga is assisting with the campaign & travels to & from NZ to assist throughout the year.

S.Korea - Campaign preparations are underway for Cheju city & Busan in 2010 & beyond. Joshua Cole is assisting in training Korean IWT staff going up in February & other times in the year.

Singapore - a CBO (church based outreach) involving a smaller TX International team will take place June 12/13 in a central city location. This will pave the way for a bigger IWT event proposed for the National Indoor stadium in 2010.

Call2All

"Finishing the Great Commission together."

Our NZ team will be engaged in working with this historic project, including the Global Congress in Hong Kong in June 2009.

Call2Harvest Leadership Training School

IWT-NZ is excited to announce this 5 month school we will be offering starting March 16th, 2009. [Click here for more details.](#)

Call2All CONGRESS - Hong Kong - June 1-5

[Call2All \(C2A\)](#) is a worldwide movement calling the Church to a renewed, focused collaborative effort to complete the Great Commission. It's a strategy-centered, action-orientated movement focusing on where the Church is not, rather than where it is. Its purpose is not to replace existing ministry but to network, train & focus the Body of Christ to fulfill the Great Commission. C2A convenes Christian leaders in all spheres of society in strategy Congresses & provides new avenues for training to foster a global move of God.

There will be a Global C2A Congress in Hong Kong June 1-5

It would be fantastic to see key NZ leaders attend this Congress - Senior Pastors, Mission & Denominational leaders, educators and business & media leaders.

If are interested in attending or you would like to see a C2A network established in your community/city please contact us or register online. www.Call2All.org

NZ PORT CITIES TOUR - Oct/Nov

IWT NZ is partnering with Marine Reach & their ship 'M/V Pacific Link' & other ministries for a planned NZ Port Cities Tour later this year & then in Australia 2010. Evangelistic teams will be involved with CBO's (church based outreaches) in every port reaching those who do not know Christ & challenging those who do to get involved in mission work globally.

Thank you for your prayer & support for us as a team in 2009.

Blessings upon you ,

David Cole
Regional Director
YWAM Campaigns/IWT

HOW YOU CAN PARTNER WITH US IN THE HARVEST

IWT here in NZ & internationally is a ministry of Youth With A Mission (YWAM) that partners with local churches as an evangelistic arm of the Body of Christ to help reach and disciple the emerging generation. Tens of thousands come to Christ each year & are changed forever through these efforts. Communities, cities & nations are impacted through the unity & mobilisation of the Church together to proclaim the Gospel.

Our missionary staff are totally dependent on the Lord and the generosity and partnership of his people financially. None receive a salary from IWT or from city or national campaign budgets.

If you or your local church, family or business would like to support our IWT mission staff or projects financially, you can do so here, or send a cheque made out to 'IWT NZ' by mail with any details.

IWT(NZ) Trust is registered with the NZ Charities Commission. All gifts are eligible for tax-deductible receipts for claiming a 33.3% tax rebate on any amount given.

IWT Regional office
